

The Blue Coat School

Job Description & Person Specification

Head of History

PURPOSE OF POST

1. To lead and develop a department which has pupil progress, engagement and enjoyment of History at the heart of its ethos.
2. To lead and manage teaching, learning and development in History.
3. To lead the development of an engaging and inspiring History curriculum at Key Stage 3 – Key Stage 5.
4. To be accountable for student progress and development in History across all Key Stages.
5. To lead, develop and enhance the teaching practice of teachers in the department.
6. To be accountable for the line management of History staff.

Reporting To:

Deputy Headteacher / Assistant Headteacher

GENERIC RESPONSIBILITIES

High standards of teaching and learning and achievement

1. To act as role model for the department, setting the highest personal standards of stimulating, challenging and inclusive teaching and purposeful, successful and enjoyable learning.
2. To lead the development of teaching and learning strategies in the department.
3. To monitor and evaluate the quality of teaching and learning in the department through regular observation of the other teachers in the department.
4. To develop and improve the quality of teaching and learning in the department through observation, constructive professional feedback, modelling, team teaching and, where appropriate, providing targeted training.
5. To promote and monitor the climate for learning in the department through regular structured self-evaluation.
6. To be responsible for promoting and improving the departmental environment for learning.
7. To monitor and support student progress across the curriculum area to raise standards of student achievement and attainment.
8. To promote and foster enrichment, extension and extra-curricular activities for students, linked to the subject(s), to develop pupils' interest, motivation and enjoyment.

Strategic and operational planning and management

1. To lead the development of appropriate syllabuses, schemes of work, marking policies, assessment and teaching and learning strategies.
2. To be responsible for the effective and efficient day-to-day management, control and operation of course provision within the department, including the effective deployment of staff and resources.
3. To work with departmental colleagues to formulate coherent and relevant aims, objectives and improvement plans for the department in response to whole-school priorities and strategic planning and the needs of students.
4. To work with other post-holders in the department to ensure that development across the whole curriculum best supports student progress and achievement.
5. To work with the Director of ICT to develop the application of ICT in the department to support teaching, learning, assessment and management according to school policy.

The Blue Coat School

Job Description & Person Specification

6. To work with the Business Manager to plan and cost the financial and business needs of the department according to school policy.
7. To liaise with the Site Manager to ensure that Health & Safety policies and practices, including Risk Assessments throughout the department are in line with national requirements, are regularly updated, and to put into place a management system to ensure that policy and risk assessments are followed.

Staff

1. To create a sense of purpose / shared vision among the departmental team and secure commitment.
2. To be responsible for the day-to-day management of staff within the department and act as a positive role model.
3. To promote team work and to motivate staff to ensure effective working relations.
4. To ensure the effective induction, support and monitoring of new staff.
5. To be responsible for the efficient and effective deployment of support staff within the department.
6. To work with the relevant member of SLMT to ensure that staff development needs are identified and appropriate programmes are put in place to meet such needs.
7. To make appropriate arrangements for classes if staff are absent, liaising with the Cover Manager / relevant staff.
8. To participate in the interview process for teaching posts as required and to ensure the effective induction of new staff in line with school policy.
9. To undertake performance management reviews for the staff line-managed.

Line Management

1. To be accountable for the line management of 3 colleagues. This involves the totality of their performance, as members of your department, their professional development, and challenging objectives.

Curriculum provision and development

1. To lead curriculum development for the whole department.
2. To be accountable for the development and delivery of the departmental curriculum, ensuring that this is in line with national requirements.
3. To liaise with the relevant deputy / assistant headteacher to ensure the delivery of a high quality appropriate, relevant and cost-effective curriculum.
4. To actively monitor and respond to curriculum development and initiatives at national, regional and local level.
5. To keep the department up-to-date with national developments in the subject area, teaching practice and methodology.

Progress of students

1. To ensure that school policy on behaviour, rewards and sanctions is upheld within the department so that effective learning can take place.
2. To be responsible for the overall monitoring of students' progress and performance in relation to the targets set for each individual, ensuring that appropriate intervention is made when necessary to support students in their learning.
3. To take overall responsibility for the department's intervention strategies and their organisation and management. To evaluate the impact of intervention strategies and use the evaluation to inform improvement.
4. To be responsible for the quality of student outcomes across the Key Stages.

The Blue Coat School

Job Description & Person Specification

Quality

1. To ensure that effective, efficient management systems are in place to monitor quality.
2. To set targets within the department according to whole-school policy, and to work towards their achievement.
3. To put into effect whole-school quality procedures and to ensure that these are adhered to in the department.
4. To establish common standards within the department and develop the effectiveness of teaching and learning in the department.
5. To monitor and evaluate the curriculum area / department in line with school policy, and to seek / implement modification and improvement where required.

Management Information

1. To ensure the maintenance of accurate and up-to-date information concerning the department on the management information system.
2. To make use of analysis and evaluate and interpret performance data provided to inform departmental planning and improvement.
3. To identify and take appropriate action on issues arising from data, systems and reports, setting deadlines where necessary and reviewing progress on the action taken.
4. To provide the Headteacher and Governing Body with relevant information relating to departmental performance and development as required, including reports on examination performance including the use of value-added data.

Communications

1. To ensure that all members of the department are familiar with its aims and objectives.
2. To ensure effective communication / consultation as appropriate with the parents of students.
3. To liaise with examination boards, higher education, partner schools, business and industry, awarding bodies and other relevant external bodies.
4. To represent the department's views and interests.

Marketing and liaison

1. To contribute to the school liaison and marketing activities – e.g. providing news for the website, contributing to newsletters to parents.
2. To be responsible for the effective promotion of the department at Open Days / Evenings and other events.
3. To lead the development of effective subject links with partner schools and the community according to school policy.
4. To actively promote the development of effective subject links with external agencies and organisations.

Whole-school

1. To act as a form tutor, and carry out the duties associated with that role as outlined in the generic job description.
2. To play a full part in the life of the school community, to support and model our ethos of faith, vision and nurture, and to encourage by example, leadership and management, staff and students to follow this example.
3. To contribute actively to the development of whole-school policy, working groups and initiatives.

The Blue Coat School
