

THE CRANMER EDUCATION TRUST

CODE OF CONDUCT FOR LOCAL GOVERNING COMMITTEES 2023-24

Code of Conduct for Local Governing Committees within The Cranmer Education Trust

1. Rationale

This code sets out the expectations on and commitment required from school local governors in order for the Local Governing Committee to properly carry out its work with the school and the community.

The Local Governing Committee aims to ensure that young people are attending a successful school which provides them with an education which enables them to learn well, grow and develop in confidence and in safety, achieve the best they can, progress, and become the people they are meant to be.

This Code is modelled on the National Governors' Association (NGA) template (2021).

2. The Role of Local Governors within Cranmer Education Trust

The Cranmer Education Trust Board is the Multi-Academy Trust's accountable body. It has strategic responsibility for the conduct of the Cranmer Education Trust and for promoting high standards. The Local Governing Committee is a sub-committee of the Board of Directors which means:

- No Local Governor can act on his/her own without proper authority from the Board of Directors
- Although appointed through different routes (i.e. parents, staff, board of directors), the overriding concern of all Local Governors must be the welfare of their School and all the young people who attend.

3. Purpose

The purposes of the Code are to promote best practice in school governance and enable the Local Governing Committee, working as a team, to make a significant and positive contribution to the school's performance. In adopting this Code of Conduct, the Local Governing Committee is setting its own standard of behaviour and expectation of governors.

4. Interpretation

In this Code, Trust and/or MAT means Cranmer Education Trust. References to 'Trustees' or 'Directors' mean the charity trustees.

5. The Role of the Local Governing Committee

a) Establishing the strategic direction by:

- Setting the vision, values and objectives for the school
- Agreeing the school improvement strategy with priorities and targets (in consultation with senior staff).
- Meeting statutory duties.

b) Ensures accountability by:

- Monitoring progress towards targets
- Candidly but constructively holding the Headteacher to account for the performance of the school (it is the responsibility of the Headteacher to manage the staff and hold them to account)
- Ensuring parents and pupils are involved, consulted and informed as appropriate and consider how our decisions may affect schools and local communities.
- Contributing to school self-evaluation
- Monitoring the statutory areas of Safeguarding, SEND and Health and Safety reports

c) Ensures Financial Probity by:

- Receive and challenge school budget updates

(Originally published by the Nolan Committee: The Committee on Standards in Public Life was established by the then Prime Minister in October 1994, under the Chairmanship of Lord Nolan, to consider standards of conduct in various areas of public life, and to make recommendations).

Selflessness - Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other benefits for themselves, their family or their friends.

Integrity - Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity - In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability - Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness - Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty - Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership - Holders of public office should promote and support these principles by leadership and example.
